## Essays

Institutions do not require all four essays. See "General Application Information" on pages ii through iv to determine if you are required to write an essay or essays as part of your application for admission. Unless otherwise specified, your essay(s) should be typed and be no longer than one page (8 1/2" x 11"). Put your name and Social Security number\* (see note below) at the top of each page.

### **Topic A.**

Write an essay in which you tell us about someone who has made an impact on your life and explain how and why this person is important to you.

### **Topic B.**

Choose an issue of importance to you – the issue could be personal, school related, local, political, or international in scope – and write an essay in which you explain the significance of that issue to yourself, your family, your community, or your generation.

### **Topic C.**

There may be personal information that you want considered as part of your admissions application. Write an essay describing that information. You might include exceptional hardships, challenges, or opportunities that have shaped or impacted your abilities or academic credentials, personal responsibilities, exceptional achievements or talents, educational goals, or ways in which you might contribute to an institution committed to creating a diverse learning environment.

### **Topic D.**

The essay in this section is specific to certain college majors and is not required by all colleges/universities that accept the ApplyTexas Application. Please see the "General Application Information" in the front of this booklet. If you are not applying for a major in Architecture, Art, Art History, Design, Studio Art, Visual Art Studies/Art Education, you are not required to write this essay.

Personal interaction with objects, images and spaces can be so powerful as to change the way one thinks about particular issues or topics. For your intended area of study (architecture, art history, design, studio art, visual art studies/art education), describe an experience where instruction in that area or your personal interaction with an object, image or space effected type of change in your thinking. What did you do to act upon your new thinking and what have you done to prepare yourself for further study in this area?

\* (Although entering your Social Security number is optional, providing it will ensure your documents are matched and processed promptly.)

Instructions: Freshman

- Submit either a paper or an electronic application ([www.applytexas.org](http://www.applytexas.org)), NOT BOTH. We encourage you to apply online.
- Read page ix and page x before you start this application.
- Majors and codes are available on the Internet at [www.applytexas.org](http://www.applytexas.org) and in the *Code Book*, available at [www.collegeforalltexas.com](http://www.collegeforalltexas.com), in the admission office of public colleges and universities, and in high school counseling offices.

Check Fall, Spring, Summer I, or Summer II, and enter the year you plan to begin attending. "Mini or short semester" may not apply to all universities.

Check if you are applying as a freshman with no college credit hours or as a freshman with college credit hours and indicate the number of college credit hours you will earn by your high school graduation date. Consider dual/concurrent enrollment but not Advanced Placement/International Baccalaureate courses as college credit hours.

\* Questions marked with an asterisk (\*) are optional, but including the information may assist your admittance. You are strongly encouraged to complete these questions.

**Part I. Biographical Information**

1. Enter your Social Security number. The Social Security number is important to match the application with your grade transcript and test scores. The Social Security number is required to give (disburse) financial aid. NOTE: While no specific legal authority requires you to list your Social Security number for the purpose of applying for admission to the university, not providing the information will hold up further processes, such as financial aid.
2. Enter your date of birth (month, day, year). Do not leave blank; this information is required.
3. Enter your full, legal name: last, first, and middle. Do not use nicknames or abbreviations because this information will be used for your official record if you enroll. Use your full, legal name on all documents sent to the institution to which you are applying.
4. Enter other names, if any, under which your transcripts or other credentials may be listed.
5. Designate whether you are male or female.
6. Enter the city, state, and country where you were born.
7. This question is designed to identify your ethnicity and race. (a) Indicate whether or not your ethnicity is Hispanic or Latino. Check "yes" if you are a person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race. Check "no" if you are not. (b) Select the racial category or categories with which you most closely identify. Check as many as apply:  
White: A person having origins in any of the original peoples of Europe, the Middle East, or North Africa.  
Black or African American: A person having origins in any of the black racial groups of Africa.  
Asian: A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian

subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

American Indian or Alaskan Native: A person having origins in any of the original peoples of North and South America (including Central America), and who maintains tribal affiliation or community attachment.

Native Hawaiian or Other Pacific Islander: A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

8. Answer the questions regarding your citizenship status. If you have one, be sure to include with your application a copy of your permanent resident card and/or Notice of Action from the USCIS.
9. Indicate if you are connected to the military in any way by checking all categories that apply to you. If none apply, leave the question blank.
10. Enter your permanent mailing address and phone numbers. Use the Texas county codes and the two-letter state abbreviations listed in the *Code Book* (refer to "Instructions," above). Use the county code if your permanent address is in Texas; if it is not, you do not need to provide a code. If you do not have access to the county code information, you may leave this item blank.
11. Enter your current mailing address and phone numbers only if they are different from your permanent mailing address.
12. Enter the name and phone number of an emergency contact person.
13. Enter your E-mail address. The inclusion of your E-mail address may allow institutional representatives to contact you with admission information.
- \*14. Indicate what languages (other than English) you speak fluently and for what length of time you have spoken them.
15. Indicate the highest level of your parents' or court-appointed legal guardians' educational background.
16. Indicate your family's gross income, including both taxed and untaxed income, for the most recent tax year.
- \*17. Indicate how many people, including yourself, live in your household on a long-term basis. Include brothers and sisters who are in college.
- \*18. Indicate whether or not you have family obligations that have prevented you from participating in extracurricular

activities. Note if the obligation is: (a) working to supplement the family income, (b) providing primary care for a family member, or (c) other obligations. Describe the nature of your particular family obligation(s); i.e., the type of activity, time required, etc.

19. If you plan to apply to more than three institutions, fill out the application, leaving item #19 blank, and make copies. Then enter the name of each college or university to which you are applying. List your first and second choice of major and the appropriate major code(s)/abbreviations for each. Majors and major codes may be found in the *Code Book* (refer to "Instructions," above). **Send a copy of your completed application to the admission office of each college or university. Keep the original application for your files.** Refer to page x for helpful instruction tips.

20. Enter the name, city, state, and College Board or ACT high school code (see your high school counselor) of the high school from which you graduated or expect to graduate. 21. If you did not or will not graduate from high school, indicate whether or not you have a GED, whether it is the English or Spanish version, the month and year you completed the GED, and in what state you received it.

22. Indicate whether you plan to pursue a pre-professional program (e.g., pre-law, pre-medicine, nursing, pre-dental, pre-veterinary, physical therapy, etc.).

23. Check "Yes" if you plan to seek a teaching certificate in addition to your degree and "No" if you do not. If "Yes," indicate if you will be seeking elementary level (Early Childhood-Grade 4); middle/junior high level (Grades 4-8); high school level (Grades 8-12); or all-level certification.

24. Enter your senior year schedule. Beside each course, indicate if the course is Advanced Placement ("AP"), International Baccalaureate ("IB"), dual credit or concurrent enrollment, and the semesters or trimesters the course was taken or will be taken. For example:

| Senior Courses | AP/IB | Dual Credit/<br>Concurrent<br>Enrollment | Semester or Trimester               |                                     |                                     |                                     |                          |
